## **Your Privacy**

Microsoft.kashishsharma.live is totally committed to protecting the privacy of our site visitors and customers. Microsoft.kashishsharma.live team members are customers themselves of other Internet sites and fully appreciate and respect the importance of privacy on the Internet. We will not disclose information about our customers to third parties except where it is part of providing a service to you - e.g. carrying out credit and other security checks and for the purposes of customer research and profiling or where we have your express permission to do so.

## **Your Consent**

We will not sell your name, address, e-mail address, credit/debit card information or personal information to any third party without your permission, but we cannot be responsible or held liable for the actions of third party sites from which you may have linked or been directed to the Microsoft.kashishsharma.live.

## **Communication & Marketing**

If you have made a purchase from our website we may occasionally update you on our latest workshops, news and special offers via e-mail, post & telephone.

## **Site Statistics**

We may disclose aggregate, anonymised statistics about the number of visitors to this Website or number of purchases made as required by our investors. We use an independent measurement and research company to gather data regarding the visitors to this Website on our behalf. Both the cookies and the embedded code provide statistical information about visits to pages on the site, the duration of individual page view, paths taken by visitors through the site, data on visitors' screen settings and other general information.

## **Transfers of your Information**

The information that we collect from you may be transferred to, and stored at, a destination outside our database.

Unfortunately, the transmission of information via the Internet is not completely secure. We will do our best to protect your personal data, but cannot guarantee the security of data transmitted to our site; any transmission is at your own risk. Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.
